

Exhibit E - City of Hayward Affordable Housing Preference Criteria and Conflict of Interest Form for La Playa Place

The City establishes a preference system for allocating the limited number of affordable ownership units.

The preference system will be used to establish a ranking of applicants. An eligible applicant Household will be ranked according to the priorities described below. An applicant Household with at least one member, who will take title to the property, and who meets the criteria will have preference by being selected ahead of non-preference holders. Applicant Households comprised of members who do not meet the criteria may still apply for and occupy an affordable unit if there are no eligible preference holders in the applicable Opportunity Drawing.

INCLUSIONARY HOUSING PROGRAM PREFERENCE CRITERIA	
Priority 1*:	Displaced households due to redevelopment in the City of Hayward (must be verified by the City as a displaced household)
Priority 2*:	Persons who live or work within the City of Hayward (address must be verified as within the City of Hayward city limits)
Priority 3:	All other eligible Households

*Addresses submitted by Applicants will be verified at the time of lottery submission and verified again prior to occupancy. If the applicant does not submit supporting documentation to prove that they meet the preference criteria, the applicant will not be prioritized. Submitting inaccurate or false information is grounds for disqualification from the Program.
